Please keep your dog on a leash when not in the ring.

Under no circumstances should a dog be left tied to anything and unattended.

Also, remember to clean up after your dog in ALL areas, including OUTSIDE.

Thank you for your help.

NOTICE TO EXHIBITORS

Below is a brief summary of NADAC rules. Please refer to www.nadac.com for a full explanation of all NADAC rules and up to date information.

- Please note that NADAC trials should provide a safe and fun environment for both exhibitors and their dogs.
- Aggressive dogs will not be tolerated and will be excused from the trial.
- The show committee has the right to refuse any entry. Anyone not currently in good standing with NADAC will not be allowed to enter this trial.
- Exhibitors, through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations, and agree to abide by all rules in effect at the time of this trial.
- No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.
- Checks not honored by the bank do not constitute a valid entry fee. There be a \$25.00 service charge for bank returned checks.
- **Dog must be registered and have a valid registration number before entries will be accepted. <http://nadac.com/afirm/dogregfrm.asp>
- A copy of the current Exhibitors Handbook may be downloaded free from the NADAC web site: www.nadac.com

An explanation of Non-Jumping Classes—Veteran or Disabled Handler as follows:

NON-JUMPING CLASSES – VETERAN OR DISABLED HANDLER

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

The following information with respect to checking your results:

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

FOOD/TOYS IN POCKET: Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a ziplock bag or small container such as a pill bottle. The container cannot be visible in the ring nor within 10 feet of the ring. You cannot indicate to your dog that you have this item on you i.e. patting your pocket. You are not allowed to remove the container until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none can be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, diminish dogs dragging their handlers back to their crates (or wherever they left their food), and to lessen the amount of insects that are around loose food.
